*“Visez haut!”
Aim high!*

Hello,

Welcome to École Alexandre-Taché! We are pleased to welcome you to our school.

École Alexandre-Taché is a francophone catholic school which offers every student an excellent education in his/her's first language. As a school within the Greater North Central Francophone Educational Region no.2, we offer an academic program for students in grade 6 to grade 12 as required by Alberta Education.

École Alexandre-Taché welcomes:

- any child who has one parent whose first language learned and still understood is French, or
- any child who has one parent who received his/her education in French as a first language, or
- any child who has a brother or sister who has received or is receiving his/her instruction in French as a first language, or
- any child who meets the criteria of the Greater North Central Francophone Educational Region no.2.

Our mission, in part, is to provide a rich learning environment for students in order to develop their francophone identity with confidence and help them reach their full potential, strive for excellence and contribute responsibly in the world of today and tomorrow.

We offer advanced courses as well as knowledge and employability courses. We also offer a wide variety of course options like construction, foods, fashion, cosmetology, art, drama and music to name a few.

In addition, we are proud to offer our students a variety of school and extracurricular activities, resources and services that contribute to the success of their academic, personal, emotional, athletic, social and spiritual development.

To register your child, please consult the school's web page in order to complete the registration form on line. <https://at.centrenord.ab.ca/parents/inscriptions>

Looking forward to meeting with you,

Claude Viel
Principal
